## SUPPLIES

The surface is available from DePalma's Custom Woodcrafts. To order email [depalmascw@gmail.com](mailto:depalmascw@gmail.com) Order CODE -RS-PLPD Approximately 7"x20"

It can be adjusted to fit many other surfaces!

I used brushes from my everyday collection which included various sizes of angled flats, rounds for base coating, fine liners and detail brushes, a mop, and a "scruffy" brush and a stencil brush to apply the stencil to the dress if using one. The stencil is a Tim Holtz MINI stencil #10 "Flourish" which can be purchased on Amazon. You can substitute another stencil of your choice or eliminate.
